Contemporary yet timeless...with hints of the craftsman architectural style but paired with contemporary lighting and fixtures, 107 Yeonas Circle is spectacular. This brand new home built by a luxury home builder CDB Design & Build boasts 6 bedrooms, 6 full baths, 2 powder rooms, and 6,486 square feet. This home is spacious with a flowing floor plan. CDB Design & Build spared no expense to ensure that the concept of â??living wellâ?_ is felt boldly by its new owner. View the outside from within in your living room. Regardless of warm or colder weather, your view to the wooded lot through the impressive windows brings a serenity richly deserved. Open to the kitchen, you wonâ??t miss a beat. The gas fireplace and custom built-ins are the centerpiece of this room. A â??Gourmet Kitchenâ?_ to serve the chef or home cook. Well appointed with JennAirAr appliances that include Pro-Style 6-burner gas range with side by side ovens, additional electric wall oven, microwave, refrigerator and dishwasher. 42â?_ dovetailed, soft close Vita CabinetryAr rounds out this beautiful kitchen. Complimenting the space are an expansive island and walk-in pantry. Flanking the kitchen are the garage and mudroom. Perfect for gatherings, your light-filled dining room is outfitted with custom built-in shelving, har and a boverage refrigerator. Floor to coiling windows let the light pour in and the tray coiling adds another layer of sephistication not seen in
